

## Miss Scotland 2007

Princes Square, Glasgow

Glasgow's Princes Square became a glitzy multimedia arena for this high profile beauty pageant.

The hosts were ex-Hear'Say singer, turned TV presenter Myleene Klass and Real Radio's Robin Galloway.

Sound and Vision supplied the large stage on the lower gallery, a three camera shoot, screen graphics, full entertainment audio, stage lighting and set. The audience of 2000 was split over five levels and Sound and Vision ensured that all saw and heard the show through 45 relayed plasma screens and PA. Sound and Vision also erected two 103" plasma screens, used for the first time in Scotland.

Sound and Vision wish all the best to Nieve Jennings, Scottish Sun's Miss Scotland 2007.

*"I can't tell you how impressed I've been with the whole team at Sound and Vision. It was an absolute logistical nightmare, but you got through the whole thing with a smile and maintained a really calm nature which undoubtedly helped my team and suppliers function."*
